

Privacy Policy for Store Inventory

Effective Date: 19/01/2024

1. Introduction

Welcome to Store Inventory ("we," "our," or "us"). This Privacy Policy outlines how we collect, use, disclose, and protect your information when you use our mobile application.

2. Information We Collect

a. User Account Information

When you sign in with your registered Gmail ID, we collect basic account information to provide you with access to our app.

b. Google Drive Files

Our app allows you to import and modify text files (.txt) from your Google Drive. We only access and process files with the .txt extension.

3. How We Use Your Information

a. User Authentication

We use your registered Gmail ID for authentication purposes to provide you access to our app.

b. File Processing

We access and process .txt files from your Google Drive to allow you to modify and export them within the app.

4. Third-Party Services

Our app integrates with Google Drive to facilitate file import and export. Please review Google's Privacy Policy for information on how they handle your data.

5. Data Security

We take reasonable measures to protect your data. File processing is performed locally on your device, and only necessary information is transmitted securely between the app and Google Drive.

6. User Rights

You have the right to access, correct, or delete your account information. Please contact us at bukhara.scanner@gmail.com for assistance.

7. Policy Changes

We may update this Privacy Policy from time to time. You will be notified of any significant changes.

8. Contact Us

If you have any questions or concerns regarding this Privacy Policy, please contact us at bukhara.scanner@gmail.com.
